Quartz that captivates by Bedrosians Tile & Stone<sup>®</sup>

## 25 Years Limited Warranty- Residential

Bedrosians<sup>®</sup> Tile & Stone (“Bedrosians<sup>®</sup>”) warrants to its immediate and direct customer (“Purchaser”), and no other person, that Revera<sup>™</sup> engineered polished, velvet, and brushed products shall be free from material manufacturing defects under normal use and service, for a period of ten (25) years from the date of purchase from Bedrosians<sup>®</sup>, as evidenced by the original invoice. This non-transferrable warranty only applies where the product is installed by a duly and actively licensed fabricator/installer, installed according to industry standards as well as the Revera<sup>™</sup> Installation Guide, used for the product’s intended purpose, permanently installed as an interior countertop, interior wall, interior shower wall, residential interior floor, or residential interior shower floor (velvet and brushed finish only) application, not moved from its original installation, and properly cared for and maintained in accordance with the Revera<sup>™</sup> Care and Maintenance Guide. All Revera<sup>™</sup> Installation, Care and Maintenance guidelines are available at [www.bedrosians.com](http://www.bedrosians.com).

This warranty only applies to products sold and registered on or after November 1, 2015 with the Revera<sup>™</sup> slab identification information intact. This warranty does not apply to any other products, including other quartz surfacing products supplied by any other party except Revera<sup>™</sup> by Bedrosians<sup>®</sup>. All invoices for the Revera<sup>™</sup> slabs must be paid for in full or the warranty is void in its entirety. This warranty does not cover products received gratis or free of charge.

This warranty only covers manufacturing defects, not installation defects or product abuse. Manufacturing defect is defined as a shortfall in the product to perform within manufacturer’s specifications and industry allowable tolerances as set forth by the Tile Council of North America (TCNA) and the American National Standard Institute (ANSI). Images and product samples are representative of a product’s potential characteristics. There is no guarantee the sample product or images will 100% match the product received. Engineered quartz is subject to variations in color, shade, grain, sizing, veining, movement, surface texture and finish. Such variations do not constitute a defect. We reserve the right to make changes to product specifications at any time without notice.

It is the sole duty and onus of the Purchaser and/or End User to inspect and approve all products upon receipt and prior to fabrication and installation. Any damage to the product thereafter is the responsibility of the Purchaser and/or End User. If, during initial inspection the Purchaser and/or End User believe the Revera<sup>™</sup> slab possesses incorrect color/shading, finish, sizing, grading, gloss level, and/or any other characteristic, the product should NOT be installed. End User is responsible for ensuring proper fabrication, installation, application, care and maintenance of Revera<sup>™</sup> slabs.

#### Implied Warranties Limited in Duration

Any implied warranty applicable to the product sale, including the implied warranty of merchantability or the implied warranty of fitness for a particular purpose is limited to the duration of this written warranty or the maximum statutory period, whichever is less. Some states do not allow limitations on implied warranty duration, so the above limitation may not apply to you. To the maximum extent allowable by federal and state law, this warranty supplements or supersedes federal and state consumer goods warranty protections.

Bedrosians® may provide information in its product literature with regard to appropriate quartz applications. Appropriate application for Revera™ is countertop, wall, shower wall, residential floor, or residential shower floor (velvet and brushed finish only). Interior applications only. In these specified applications, Bedrosians® limits the duration of the implied warranty of fitness for a particular purpose to ten (10) years or the maximum statutory period prescribed by law, whichever is less. Failure to comply with recommended installation, application, care and maintenance voids this warranty.
