Play with Light and Shadows

2 cm

The 3D appearance, created by the hexagon shape paired with the concave curve, cause a dramatic sculpted and shadowed look. The curve, playing with light, can shift and transform throughout the day as your lighting changes. The relief look also changes depending on your pattern layout.

Non-metallic colors may be installed near or on the face of high-heat areas, but not inside. This product cannot be installed in exterior applications. Metallic colors cannot be installed in wet areas or high-heat areas. Do not use chlorine, acids, or other harsh chemicals to clean. Use only non-sanded grout with this product. For Metallic colors, all spills must be cleaned immediately to prevent staining. This product is artisanal and may possess inherent size and color variation. This tile must be installed with premium modified thinset. Do not use mastic. Metallic colors cannot be installed in exterior applications, wet areas, and/or high-heat areas.

Merchandising materials and samples are for general reference only and representative of a product's potential characteristics. Tile is subject to variation in color/shade, size, texture, and finish. Field, mosaic and trim tile may not match exactly. Blend tiles from different boxes to achieve consistent shade distribution. Installer and end user must conduct a dry mock layout under proper lighting conditions to inspect the product. Installation constitutes acceptance of the product. Reference the TCNA, ANSI, Manufacturer's specifications, and Bedrosians Care & Maintenance Guide. Improper installation, application, use, care and maintenance voids warranty.
